WHY USE LOPHAM CONSULTING?

Lopham Consulting is a company that's fast becoming a trusted partner and strives to be the best partner in service since 2020; working closely with our clients allows us to act in their best interest over the long term. Our dedicated staff have a combined experience of over 102 years.

OUR CLIENTS BENEFIT FROM:

- Established team - most 10+ years and many 15+ years
- A proven client service model: locally tried and operated
- Considerable range of combined technical knowledge and experience
- Timely response to any issues
- Cost efficient services
- Fixed costs for easier budgeting

CLIENT AND FUTURE FOCUSED:

We have recently partnered with software developers to assist our technical team with enhancing client management and to provide a better level of service to our clients and that will bring a wealth of operations and management experience to the company. We are committed to ensuring that our often very busy technical team is resourced appropriately for the ultimate benefit of our clients.

PASSION FIRST

To face every day challenges knowledge and expertise are essential, but not enough if you are not driven by passion. This passion is what we share in our team, and what keeps us striving for excellence in everything we do.

EMPLOYEE EMPOWERMENT

We don't think of empowerment only as a business strategy to improve efficiency, but as a natural way to develop a sense of ownership and responsibility among our team. We want our employees to openly share suggestions about their work and the company as a whole. We want them to feel part of the company, as they are the ambassadors of our organization.

PROACTIVE TEAMWORK

One of the keys to Lopham Consulting' success is our ability to work together as a team, and support each other in finding the best solutions for different projects. Sharing know-how and experience enables us to maximize the performance of our solutions and services, adding value to clients.

ACHIEVEMENTS

Every business has a tale to tell. And our story so far has been anything but ordinary! We navigated our share of stumbling blocks along the way (especially in the early days). But when we pulled together as a team, there was always one constant, the drive to perfect our craft and become a recognized name in our field. Even as our company is growing, we've never lost our desire to learn. And there are lessons to be learned with each new challenge.

“Whether you think you can or whether you think you can't, you're right!” -

Henry Ford

We have successfully supported a number of clients, in terms of the scale and magnitude; the following are the biggest clients we have supported:

- All Limpopo provincial Departments through Provincial treasury
- All North West provincial Departments through Provincial treasury
- Gauteng Department of Infrastructure Development
- Mpumalanga Department of Health

PORTFOLIO

At Lopham Consulting, there are several values which we hold in high regard, and we expect these values in every member of our team. These values are charity, honesty, fortitude, reliability, integrity, temperance, faith, and hope. We believe that these values set us a step above the rest, and allow our team members to provide services in a very professional and efficient manner.

2025

Lopham Consulting's focus is to provide a long term partnership with our clients. These long term relationships allow us to understand our clients' unique needs and requirements and provide a high level service.

We believe we can provide cost effective service & support allowing you to get the best for your investment.

DIRECTOR'S STATEMENT

Taking our company further

“The secret of change is to focus all your energy not on fighting the old but on building the new.” — **Socrates**

At Lopham Consulting we have a pool of highly skilled individuals in different respects and we are determined to fully utilize the talents of all our people as they are the real asset of the company. With our encouragement and motivation, together, we can make a real contribution for our clients, suppliers and business partners, to the communities, for our own wellbeing and for the sustainability of the world in which we live and operate. We do this in our own special way through a long tradition of encouraging our employees to have the courage to develop and implement innovative and ingenious solutions to the challenges of all our stakeholders.

Looking ahead, we are focused on accelerating the execution of our growth strategy while continuing to build on the strength of our brand in helping our clients share knowledge and create innovation and in bringing positive change to the communities in which we work and live. I am incredibly excited about this journey and truly believe the best of Lopham Consulting is yet to come. We will continue to take our role as a responsible company seriously and encourage our employees, clients, suppliers and partners to all play their part. We will only be able to face the challenges of sustainability with a comprehensive understand and full commitment of everybody.
